**GET UP TO A \$500 REBATE!**

## ELECTRIC VEHICLE CHARGER REBATES ARE HERE

### GET CASH BACK

Looking for a quick and convenient way to charge your electric vehicle? Get up to \$500 from AMP when you buy an electric vehicle charger for your home.

### REBATE FOR A LEVEL 2 CHARGER

AMP is excited to announce that its new electric vehicle charger rebate has launched. The cash rebate eases the cost of purchasing a Level 2 charger.

### MORE CONVENIENT

A Level 2 charger provides you the convenience of charging your vehicle at home instead of driving around, looking for an open spot at a public

charging station. Charging at home is a sure thing – no one can drive in and take your spot in your own garage.

### HOW TO APPLY

Residential customers can apply for a rebate of up to \$500 for a Level 2 home EV charger. The rebate applies to purchases of Level 2 chargers dating back to Oct. 16, 2017.

AMP's online rebate program makes it easy to apply to get your cash. Instead of printing and filling out paper forms and mailing them in, you can use AMP's quick and convenient online system to apply for your rebate. Once your

application is accepted, you will receive your cash via a debit card in the mail.

### FOR BUSINESSES AND PUBLIC AGENCIES

Non-residential customers will be able to apply for a rebate of up to \$3,000 on Level 2 electric vehicle charging stations for their employees or customers.

For more information on these rebates, please visit [www.alamedamp.com/charging-stations](http://www.alamedamp.com/charging-stations).

## YOU'RE INVITED TO AMP'S ANNUAL BUDGET WORKSHOP

Your community-owned electric utility reflects the priorities of Alamedans, not shareholders. AMP's annual budget is developed through an open, public process, and your participation is always welcome.

### GET INVOLVED

PUBLIC UTILITIES BOARD ANNUAL BUDGET WORKSHOP

MONDAY, APRIL 23 AT 4 P.M.

AMP SERVICE CENTER

2000 GRAND ST. ALAMEDA, CA 94501

*The Board's regular monthly meeting will follow at 7 p.m. at the same location.*

We want to THANK YOU for making AMP's energy-saving programs a big success. Thanks to the participation of our customers, AMP's programs saved 2,295 megawatt-hours of energy in fiscal year 2017, which amounts to cutting 4.1 million miles' worth of emissions from driving a car.

By cutting greenhouse-gas emissions by saving energy, Alamedans are protecting our climate and our community.

Help us keep the momentum going. For those of you who haven't yet taken advantage of AMP's energy-savings programs, Here's the information you should know.

### AMP'S ONLINE REBATE PROGRAM

AMP is proud to offer its customers cash rebates on the purchase of energy-saving appliances. It's quick and easy to apply online to get your cash -- just go to [www.alamedamp.com/rebates](http://www.alamedamp.com/rebates).

### AMP'S ENERGY PLUS PROGRAM

Energy Plus offers substantial rebates to local businesses for interior and exterior lighting and refrigeration upgrades. AMP does most of the work, making energy upgrades easier than ever.

AMP will create a proposal outlining the energy savings opportunities, projected bill savings, and available rebates. Alameda businesses come away with attractive lighting and lower energy bills. Learn more at [www.alamedamp.com/ep](http://www.alamedamp.com/ep).

**2018 ALAMEDA EARTH DAY FESTIVAL**
