

Terms and Conditions for Alameda Municipal Power Rebates:

1. Eligibility is for customers of Alameda Municipal Power with an active account who are installing qualified products.
2. **Rebates must be submitted within 6 months of purchase date of product/appliance.**
3. Products must be installed and used at customer's Alameda Municipal Power service address.
4. Customer agrees that ordered products will not be resold under any circumstances.
5. Customer is solely responsible for installation of all products in accordance with the manufacturer's specifications.
6. Customer acknowledges that Alameda Municipal Power does not expressly or implicitly warrant the performance of installed purchased products, and is not liable for any damage caused by the installation of these products or for any damage caused by the malfunction of the installed purchased products.
7. Alameda Municipal Power is not responsible for items lost or delayed in the mail, nor any remittance delayed due to incorrect applications.
8. Offer is valid on new product sales only and for as long as funds remain available.
9. This program is subject to change or termination without prior notice.
10. The rebate cannot exceed the pre-tax purchase price.
11. New construction is not eligible.
12. Customer agrees that AMP reserves the right to inspect the installation premises of the product for 24 months after the date of application or request additional documentation prior to rebate payment. Rebate may be denied by AMP if this condition is not met by the customer.

Heat Pump Water Heater:

- Customers are eligible for a heat pump hot water heater rebate once every five years.
- The heat pump hot water heater must be NEW and installed at customer's service address.
- The heat pump must be ENERGY STAR qualified.

Electric Clothes Dryer:

- The electric clothes dryer must be NEW and installed at customer's service address.
- Customers are eligible for an electric clothes dryer rebate once every five years.

Used Electric Vehicle:

- Customer must provide a copy of a DMV bill of sale for a battery electric vehicle.
- The rebate amount cannot exceed pre-tax purchase price.
- Limit one used BEV rebate per vehicle.
- No more than two (2) used BEV rebates per customer account in any 5-year period.
- The used BEV must be registered at the customer's service address.
- Customer must provide a copy of the permanent vehicle registration
 - Customer agrees that AMP reserves the right to verify continued registration of the rebated used BEV at customer's AMP service address for 24 months after the date of application, or request additional documentation prior to rebate payment. Rebate may be revoked by AMP if this condition is not met by the customer.
 - Rebates are issued on a first-come, first-served basis. Rebates and incentives are offered until approved funds are exhausted. The submission of a claim form does not guarantee payment.
 - Alameda Municipal Power disclaims any and all liability, loss, or damage that may arise as a result of the applicant's participation in this program.

Level 2 Charger Rebate:

- Funding availability is limited and is provided on a first-come, first-served basis.
- Rebate amounts are up to \$800 per level 2 home charging station.
- The level 2 charger must be installed at customer's service address.
- Customer is responsible for installation of the level 2 charger to the manufacturer's specifications.
- Customer agrees that AMP reserves the right to inspect the installation premises of the level 2 charger for 24 months after the date of application, or request additional documentation prior to rebate payment. Rebate may be revoked by AMP if this condition is not met by the customer.
- Customer agrees that all credits allowed by the State of California's low carbon fuel standard credits program are the property of and belong to AMP. Customer agrees not to take any actions to generate such credits to their account. Customer further agrees to assign any such credits to AMP.
- Limit one rebate per charging station; limit two charging station rebates per customer in a 5 year period.
- A charger with multiple ports, or plugs, is considered one unit and is eligible for a single rebate.
- Alameda Municipal Power disclaims any and all liability, loss, or damage that may arise as a result of the applicant's participation in this program.
- AMP reserves the right to modify or discontinue this program without prior notice at its discretion.

Electric Panel Upgrade:

- Panel upgrades must be done for the purpose of home electrification measures (subpanel upgrades do not qualify).
- **Rebates must be submitted within 6 months of the installation date of 200amp panel.**
- Panels must be upgraded to 200amps.
- Properties must demonstrate completed installation of at least two measures or appliances (e.g.: level 2 EV charger, electric dryer, electric water heater, electric space heating, or electric stove).
- Pre-existing, eligible appliances may count toward one of the two measures. If you are using an existing electric appliance as part of your application, the appliance must be no older than January 1st, 2022.
- The rebate is available only to customers served under D1 rate schedules (e.g.: residential customers).
- Panel upgrade installation projects must comply with all applicable City of Alameda building codes and permitting requirements.
- All electrical upgrade work must be performed by an electrician with a valid C-10 license.
- Eligible electrical upgrades must be permitted.
- The rebate amount cannot exceed the total costs of panel upgrade.
- The rebate can be applied towards the cost of the main electric panel only and any of the following associated costs:
 - a. Cost of electrician labor and materials
 - b. Cost of new or upgraded 240-volt outlet installation specifically for a home electrification measure (level 2 EV charger, electric dryer, electric water heater, electric space heating, or electric stove)
 - c. The cost of a city permit (obtained through the City of Alameda permit center)
- Funding availability is limited and is provided on a first-come, first-served basis.
- AMP reserves the right to reject any application that is incomplete or fails to meet the program requirements.
- Customer agrees that AMP reserves the right to inspect the installation of the panel upgrade for 24 months after the date of application or request additional documentation prior to rebate payment. The rebate may be revoked by AMP if this condition is not met by the customer.
- Alameda Municipal Power disclaims any and all liability, loss, or damage that may arise as a result of the applicant's participation in this program.

Smart Thermostat:

- AMP's rebate is only applicable to customers on D1H rate schedule.
- Limit 2 rebates per service address per year.
- Smart thermostat must be new and replace an existing manual or programmable thermostat.
- Smart thermostat must be ENERGY STAR certified and installed/connected to Wi-Fi.
- AMP does not provide service support for the installed smart thermostat. Please contact the retailer or manufacturer for warranty information.
- Rebates are available on a first-come, first-served basis, while supplies last. Eligibility and amounts are subject to change at any time.

Heat Pump Space Heating:

- **Rebates must be submitted within 6 months of the installation date of the HVAC system.**
- Must be replacing the entire gas furnace. Proof of gas decommissioning is required. This can include the removal of old gas equipment, capping the gas line location where the gas equipment was or is, or removing of gas meter from the home.
- Only customers switching from natural gas to all-electric are eligible.
- The heat pump must have a 15 SEER (Seasonal Energy Efficiency Ratio) rating or higher, and an 8.5 HSPF (Heat Seasonal Performance Factor) or higher
- Only one rebate per condensing unit and customers are eligible for HVAC rebate once every 10 years.
- Customers are eligible for up to 3 heat pump HVAC system rebates every 10 years.
- Heat Pump HVAC systems must be NEW, installed, and used at your AMP residence.
- New construction is not eligible.
