OPT-OUT INTENT

By making this selection, I AGREE that I am the named, authorized person on the customer account number entered above. Further, I am indicating that I want to opt out of the Alameda Municipal Power Energy inView Program and retain the meter currently associated with my account. By opting out, I understand that all Energy inView services (including online bill pay and paperless billing) will not be available to me, and I thus agree to forfeit these services and benefits. I also agree to ensure access to the meter for AMP staff, and that failure to do so will result in additional fees or AMP may upgrade my existing meter to a smart meter.

All charges and provisions of the residential customer's applicable Rate Schedule D1 shall apply, with the addition of the following:

Initial Fee: \$125.00 (nonrefundable)

Monthly Fee: \$10.00

- Opt-out fees and charges will be applicable following scheduled meter exchange or upon program enrollment.
- Opt-out fees and charges shall be reviewed annually as part of Alameda Municipal Power's normal rate review process.
